## NASA, NSTL, Chamber to open 'Partners in Progress' program

BY DENA BISNETTE

National Space Technology Laboratories and the Hancock County Chamber of Commerce will kick off a new program, "Partners in Progress," Nov. 14 at NSTL.

"Partners in Progress" will address issues of common concern to the community as well as to NASA, the U.S. Army, U.S. Navy and other federal and civilian agencies at NSTL.

NSTL has brought the county high-technology agencies that need a specialized labor force consisting of both local talent and people recruited from other parts of the country, according to Jerry Hlass, director of NASA's NSTL activities and John Mason, Chamber of Commerce president.

The "Partners in Progress" program is designed to be a cooperative effort between NSTL and its resident agencies and local civic, educational and business leaders to promote overall economic growth and make Hancock County the type of community that will attract the personnel NSTL needs.

The kick-off begins at 9:30 a.m. Topics to be discussed in the morning session include the mission of NASA and NSTL's resident agencies; doing business with NSTL agencies; job information center operations; contracting opportunities; and tourism and educational programs.

The afternoon will include optional workshops with agency managers and specialists available to provide information on various topics, as well as tours of the NSTL Visitors

Center and Teacher Resource Center and a bus tour of the entire installation.

## Waveland aldermen hear Spanish Cove drainage woes

BY DENA BISNETTE

The Waveland Board of Aldermen has been asked to intervene concerning two driveways allegedly blocking drainage in Spanish Cove subdivision.

Jerry Peoples of Spanish Cove addressed the board Wednesday, asking for assistance with the problem. Peoples said he was the first resident to move into the subdivision and noticed no difficulties with drainage until the area became more densely populated.

"We had nice drainage when I first went in there, but now I have water in my yard and so does the lady next to me," he told the board.

There are now five houses in the subdivision, two of which Peoples said have driveways without culverts under them.

He said both homes were constructed by the same individuals, who apparently filled in the ditches

to make the driveways.

He also said that there has been a problem lately with sewage in ditches, but he said he believes that problem does not originate in the subdivision itself but on nearby property.

Mayor John Longo Jr. told Peoples that blocking a natural drain is against the law and said he is sure some of the drainage problem is originating outside the subdivision itself as well as in the area where the ditches have allegedly been blocked.

Longo said he planned to inspect the problem Thursday. Alderman Herman Yarborough, who is also city superintendent, said that a drainage study is currently being conducted in the city and includes the Spanish Cove area.

He said the study should be finished within the next few weeks.

Yarborough contends that much of

the drainage problem in Spanish Cove results from inadequate drainage behind the subdivision.

He said a large culvert will probably have to be placed in a natural drain off Old Spanish Trail to alleviate the problem.

Also addressing the board Wednesday was City Attorney Lucien Gex.

Gex reported on a settlement to the city from Taylor Iron Works, the contractor for the city water tower off US-90 near Water Tower Plaza.

He said \$31,515 is left in the contract. The settlement, which deals with liquidated damages for an alleged defect in the tower, allows the city to keep \$24,415 while paying \$7,365 to the contractor.

The defect, Gex said, involved rusting around the towers' bolts which has caused the city to have to

## Mayor makes changes to benefit Bay St. Louis

By BRENDA HEATHCOCK

After nearly four months on the job as mayor of Bay St. Louis, Victor Frankiewicz Jr. has set in motion projects and changes that could benefit city residents for years to come.

Frankiewicz counts as his most important accomplishment, the reorganization of the city's internal structure.

"The reorganization will have longlasting benefit because it affects everything we do," he said.

"The way city hall and the public works department operate is an area that the public really doesn't see."

"Now we have a de-centralized system where individual department heads have a lot more of authority, along with much more responsibility."

"I find it tends to make things get done faster because department heads are able to make their own judgments and don't have to come and check everything with me."

"We're trying to generate a new philosophy among the city employees where they personally

are responsible for their own jobs and personally have the authority to do their jobs right."

Frankiewicz has also told city crews to take responsibility and make decisions about handling problems that come up without having to consult the department head each time.

"They are figuring out the best way to handle a problem and most of the time they handle it right," he said.

"I won't ever take anyone to task for making a decision that I don't agree with."

"If it takes two or three people to make every decision, then that is a third of the efficiency that you ought to have," Frankiewicz added.

Included in reorganization is the consolidation of the city's tax department with the Hancock County Tax Collector's Office.

There has been a great deal of progress in consolidation of the tax department, just about everything is worked out but the final cost.

Frankiewicz believes the proposed \$6,000 annual cost for use of the computer is too high.

"This is really a cost from the South Mississippi Planning and Development district and I am not sure what it covers," he said.

He is currently trying to meet with SMPDD people to work out this final point.

"I hope by our regular meeting in November, along with the supervisors' November meeting, we will have a formal agreement ready to sign," Frankiewicz said.

"Getting the annexed area sewer project under construction and redesigned, while that is still going on, I feel is a major accomplishment," Frankiewicz said.

"That's been tough because changing a project in midstream after it has been designed, approved, awarded and put in construction is always somewhat risky."

"But it seems to have been successful so far and if we are able to get the changes requested, we end up taking on more customers at a very modest cost, having much more growth potential and saving long-term maintenance and

CHANGES—Page 8A

### News Briefs

#### SCHOOL SURVEY

Next school year (1986-87) Section 37-317 of the Mississippi Code mandates that all state school districts provide kindergarten for any child who will be five years of age on or before Sept. 1, 1986 who desires to attend.

In order to help local schools in planning for the number of kindergarten classes needed for the next school year, parents are being asked to contact the school nearest their home to fill out an interest survey.

The survey forms will be available until Oct. 28.

#### ROTARY FUND-RAISER

Bay St. Louis Rotary Club's Annual Fund Raising Dinner will be served Thursday, Nov. 7, 5:30 - 8 p.m., Virginia Hall, Christ Episcopal Church, Bay St. Louis. Tickets are available from Rotary members, donation \$5 each.

Proceeds from the dinner will be used for Rotary community services.

## Frankiewicz details sewer system changes

By BRENDA HEATHCOCK

If requests for changes in the Bay St. Louis sewer system construction project now underway are approved, several additional customers may be serviced.

"At a very low cost we can add 21 customers, eliminate a couple of lift stations and increase the growth potential of the system," Bay Mayor Victor Frankiewicz said.

He added that two businesses included on the original plan would be dropped but they could be added to the service from another direction.

"There is no time frame for adding them but it should be within a year," Frankiewicz said.

"We plan to work these projects along with the several other situations in the city where people are only a few hundred feet from a sewer line yet don't have sewer service."

"After the project redesign is finished, we are going to go through and survey the city to find out exactly where those areas are."

"I suspect there are at least a half dozen places like this and with the survey we will figure out what lines we have to extend where."

"Most of them are going to be fairly economical, where with just a few hundred feet we can pick up several customers."

"We are going to do this work with our own city crews."

Frankiewicz said when a part of the current project is completed and turned over to the city, work can begin in these areas.

"For legal contractual reasons we wouldn't want to start adding to the system that is being installed."

"As long as the builder is in his contract period, he is responsible for the system, after that we can do what we want to including adding extra lines."

"If we got our own crews in there now adding onto the system currently being installed, if anything went wrong in the system, the contractor

7:30 p.m.—Bay St. Louis City Council.

### FRIDAY

7 p.m.—Bay St. Louis Board of Adjustments.

**'WAR DECLARED' ON SHOPLIFTERS**—War has been declared on shoplifters at Jitney Jungle Food Store in Bay St. Louis, according to James Dykes, manager. Employees of the Bay St. Louis store were divided into two groups to attend an anti-shoplifting seminar conducted by the Loss Prevention Department of Jitney Jungle Stores of America last week at the civic room of Gulf National Bank. Shoplifting is a nationwide problem

with merchants now placing more emphasis on the education of employees in ways of prevention. Several arrests have been made at Jitney Jungle in recent days for alleged shoplifting. In November the Hancock County Chamber of Commerce and Extension Service are planning on an anti-shoplifting seminar for merchants and employees. A date is yet to be set for the seminar. (Staff photo by Ellis Cuevas).

## Specs being prepared for air-conditioning

By BRENDA HEATHCOCK

The Bay St. Louis School Board requested that engineer W. R. Pitcarin design a set of specifications for air conditioning at North Bay Elementary.

The board had voted at a previous meeting to have specifications drawn for the units needed to air condition the North Bay classrooms.

At the beginning of the meeting Pitcarin told the board he had been designing air conditioning units since 1946 and had designed the entire systems for Gulfport and Biloxi schools.

"I am saying what I think should be done, I am not looking for a job, I just want to give you my opinion," he said.

Pitcarin told the group that North Bay is not particularly energy efficient and that it would need insulation and other work to make the windows energy saving.

He also mentioned a \$125,000 estimate he had proposed to the board in 1978 for air conditioning.

"You get way you pay for and it would be a mistake if you didn't do a proper job," he said.

North Bay Principal Roger James told the board that they weren't looking for a 70-75 degree temperature but something to make the situation better.

"By bolting the windows down and utilizing ceiling fans and blinds, we can have a better situation, we are looking for any amount of help in these classrooms," James said.

Parents at the meeting acquiesced their voices to what James said, telling the board something needs to be done to bring the temperature down.

Pitcarin told the board he thought he was at the meeting to discuss the

air-conditioning.

"I didn't understand the purpose of the meeting," he said.

Pitcarin also told the board it would be in November before he could have the specifications ready.

## Two booked in lounge burglary

BY DENA BISNETTE

A Gulfport man and a Long Beach woman have been arrested and charged with burglarizing Changes Lounge on US-90 west of Waveland.

According to Hancock County Sheriff's Department Investigator Glen Strong, Douglas Mays, 31, of Gulfport, and Dorothy Diane Holmes, 26, of Long Beach, were arrested early Friday morning.

They were jailed on \$40,000 bond each.

Strong said the owner of the lounge reported the burglary at about 1:30 a.m.

"The owner apparently drove up

just as they were finishing the burglary and they didn't have time to get to their vehicle," Strong said.

He said the vehicle was parked on US-90 just east of the lounge.

When Hancock and Waveland units arrived at the scene, Holmes came out of the woods near the building and was arrested.

Mays was arrested in Waveland about three hours later by officers of the Bay St. Louis and Waveland police departments. He was walking along the highway at the time, the investigator said.

Items recovered after the burglary included about \$178 in change, most of which was removed from cigarette machines, pools tables and other coin operated devices.

Also included were three cases of beer, several bottles of wine and an undetermined amount of cigarettes.

Tools apparently used to break into the front door of the building were found in the vehicle, which has been impounded at a local wrecking yard, Strong added.

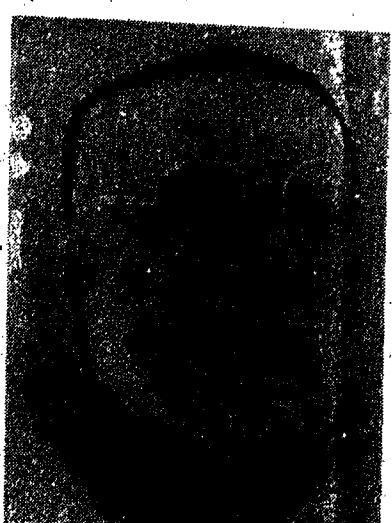

## News Brief

### TEENAGE PREGNANCY

Mississippi State Department of Health, through special arrangement with Plays for the Living division of Family Services Association of America in New York, will present "Tell Me It's Going To Be Wonderful," a play about teenage sexuality and pregnancy, at 7 p.m. Tuesday, Gulf Coast Mental Health Center, Gulfport.

**LAST PLACE ON EARTH**—Sverre Anker Ousdal portrays Norwegian Roald Amundsen, whose race to the South Pole against Englishman Robert Scott is the subject of the "Masterpiece Theatre" series, "The Last Place on Earth." The six-part series can be seen at 9 p.m., Sundays, beginning Oct. 20, on Mississippi ETV.

## Vote tally equipment test set

Automatic vote tabulating equipment to be used in the Nov. 5 special election will be tested at 10 a.m. Tuesday at the circuit clerk's office.

The equipment is used to count votes taken by machine ballot.

Anyone interested may witness the test, according to Hancock County Election Commission Secretary Charles F. Gotschalk.

### CARD OF THANKS

Thank you, St. Jude, for favor granted.

Thank you, St. Jude, for favor granted.

### Correction

In Thursday's edition of the Sea Coast Echo, a story concerning the construction of Hancock Medical Center incorrectly listed the amount of the contractor's overhead expenses.

The correct amount is \$3,000 per week. The contractor is Buck's Incorporated and Claude Hogan of Waveland.

The Echo apologizes for the error.

THOMAS HARDY  
ALTON JAMES WATSON

### THOMAS HARDY

Thomas Lipton Hardy, 64, Route 7, Bay St. Louis, died Tuesday, Oct. 15, 1985, in Bay St. Louis.

The funeral was conducted Friday at 9 a.m. at Edmond Fahey Funeral Home in Bay St. Louis, followed by graveside services at 11 a.m. at Cypress Grove Cemetery in New Orleans.

Mr. Hardy was a native of St. Martinville, La.

Survivors include three daughters, Mrs. Lottie M. Reilly, Mrs. Dorothy Reilly and Miss Della Hardy, all of Bay St. Louis; a sister, Mrs. Lottie Bell Trem of New Orleans; 14 grandchildren; and two great-grandchildren.

ALTON JAMES WATSON

A funeral mass for Alton James Watson, 84, of Gulfport, will be 10 a.m. Monday at St. Teresa Catholic Church in Gulfport. Burial will follow in Cedar Rest Cemetery in Bay St. Louis.

Mr. Watson died Friday, Oct. 18, 1985, in Gulfport.

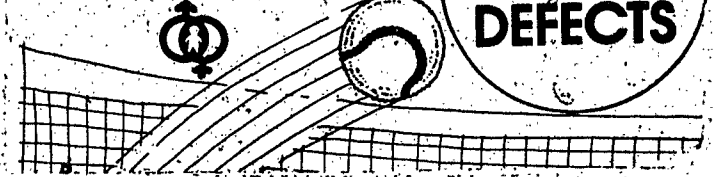

He was a native of DeFuniak Springs, Fla., and had resided in Gulfport for 68 years. He was retired from employment with Illinois Central Gulf Railroad and L. and N. Railroad, where he had worked for more than 47 years. He was a member of St. Teresa Catholic Church.

Survivors include his widow, Mrs. Lillian Watson of Gulfport; and one sister, Margie Watson of DeFuniak Springs.

Lockett's Mortuary was in charge of arrangements.

## Planning today for the eventual tomorrow.

Mike Riemann, Vice-Pres.

We all plan for the future, plan for our homes, our families. Plan that we will work together to make tomorrow better. We all participate in planning today for the eventual tomorrow. From our earliest years, plans for the future have played an important role in our lives as the hopes and dreams of today become the realities of tomorrow.

As we plan for the future, a will, a trust, insurance and a funeral plan provide the four cornerstones of family security. Caring families consider future needs by making funeral arrangements in advance of need. They have found that a prearranged and prefinanced funeral plan can be a valuable and protected investment as well as being one of the simplest ways of caring for their family.

Planning ahead just makes good sense.

Act now...call 467-4242 or mail form below.

## Interfaith task force reorganizes to offer hurricane relief

Ministers of various religious organizations met this week to reactivate the Mississippi Coast Interfaith Task Force.

The task force which came into being in the wake of Hurricane Frederic, is initiating new efforts to assist residents needing help in the aftermath of Hurricane Elena.

"I am pleased to see this happening. This responsible action shows the concern local religious groups have for their people," Paul Hall, federal coordinating officer of the disaster recovery operation, said in response to the announcement.

"Historically, local people are always ready to move in and help local people," Hall said. "So, I am hoping all of the churches and other concerned groups on the Gulf Coast will join in this effort."

Dr. Don Glover of Covenant Presbyterian Church, Biloxi, is the new chairman of the task force. He is assisted by Rev. M. J. Landry, Catholic Social Services, Biloxi Diocese, secretary; and Rev. Bruce Dodge, Beauvoir United Methodist Church, Biloxi, treasurer.

Belle McCann is presently serving as the acting director.

"Groups like this are only as strong as the level of community in-

volvement," Hall noted. "As the name indicates, this is an interfaith effort. And I encourage all denominations and groups to become active participants."

The goal of the task force is to help those people who still have unmet needs after receiving disaster assistance from federal, state and volunteer agencies.

"Because of the limitations of some federal, state, and volunteer programs, we can't always provide everything a disaster victim may need," Hall explained. "That's why the Interfaith Disaster Task Force is so important."

Mike German, federal individual assistance officer, added, "This is one of the finest examples of churches being concerned for their members. And, by helping the people, they are helping their community. I hope when local churches and other groups are contacted, they will participate."

## School districts coordinating handicapped child-find efforts

The Hancock County and Bay St. Louis School Districts are participating in an ongoing effort to identify, locate, and evaluate children from birth through 21 years of age who are physically, mentally, communicatively or emotionally handicapped.

Programs that are available in these districts serve students who are educationally handicapped, multi-handicapped, emotionally handicapped, physically handicapped, and learning disabled.

Speech and language therapy is also available in these school districts.

districts.

Cooperative efforts with other school districts provide services for deaf/hard-of-hearing, visually impaired, and emotionally handicapped students who need services not provided in the local districts.

All information which could identify an individual child as being in need of special education services will be maintained by the Hancock County and Bay St. Louis School Districts and will be provided to other agencies only in accordance with the Family Rights and Privacy Act.

The earlier a child who is in need of special education can be identified, the greater the opportunity for providing appropriate educational experiences to meet that child's individual educational needs.

Continued assistance and cooperation in finding children who might be in need of services for the handicapped is most important.

Anyone who is aware of a child who demonstrates characteristics or behavior indicative of a handicap please contact Jeannette Handshoe, special education coordinator, Hancock County School District, 467-4466 or Gloria Dean, child find coordinator, Bay St. Louis School District, 467-1021.

## County Agent's Notes

By Lee Taylor

Timber Owners beware - you may lose your investment. If enacted the President's tax proposal released on May 29 will sharply affect timber producers.

Tree farmers are going to continue to face the question if their timber activities are extensive enough to qualify their holdings as an investment.

In some situations individuals will be taxed on any gain made from timber. Also the capital gains rate which is currently 20 percent will be reduced to 17.5 percent.

Capital gains will also be repealed for producers who dispose of timber used in their trade or business in an outright sale or liquidation. Only landowners who hold their timber as a more or less possible investment would be eligible for capital gains tax treatment.

This proposal has the effect to penalize timber management and encourage poor forestry.

What does this mean to your pocketbook? The current maximum tax rate you would have to pay on a timber sale, if you qualified and filed for capital gains, is 20 percent. Under the administration proposal, individual landowners would be subject to a tax rate as high as 35 percent on their timber income. Corporate timber income tax would go from 28 percent to 33 percent.

Also wiped out will be tax credits for reinvesting monetary gains back into timberland.

When you combine the low prices being received for timber and the high importation of wood from Canada the future doesn't look bright.

I would urge our timber producers to learn more about laws that will affect them. If possible you should contact your representative in Washington to look fairly at timber producers.

### HIGHWAY SAFETY

Harvest season is well under way for many Hancock County farmers. Every farmer depends on public roads to travel to and from fields, storage facilities and repair shops.

Before taking tractors, combines, cotton pickers and other farm equipment on the road, make sure tires, rakes, lights, wipers, defrosters and mufflers are in proper working condition.

Make sure the vehicle meets state and local requirements for lighting, load and dimensions.

Check truck beds before loading. Load the truck properly and secure the load so that nothing can fall or blow off onto the roadway.

Do not overload the truck or haul materials if was not designed to carry.

Farm machinery should be clearly marked with flashing lights, reflectors, slow-moving vehicle emblems or a lead car with flashing lights.

Drivers should be wary of slow-moving vehicles when driving early or late in the day when visibility is limited.

## Military Mention

SGT. DAVIS

Staff Sgt. Myron E. Davis Jr., son of retired Air Force Master Sgt. Myron E. and Mona S. Davis of 808 White Wing Lane, Suisun City, Calif., has re-enlisted in the U.S. Air Force after being selected for career status.

Assigned at Whiteman Air Force Base, Mo., Davis was approved for re-enlistment by a board which considered character and performance.

He is a space communications systems equipment technician with the 2154th Information Systems Squadron.

His wife, Merinda, is the daughter of John J. and Doris Williams of 222 Ballentine, Bay St. Louis.

The sergeant is a 1978 graduate of James Madison High School, San Diego.

## Vets get cost-of-living boost

The Committee on Veterans' Affairs ordered reported to the House legislation that would provide for a 3.7 percent cost-of-living adjustment, effective Dec. 1, for veterans receiving compensation for service-connected disabilities.

The increase would also apply to dependency and indemnity compensation paid to widows and children of veterans who died of service-connected disabilities.

The measure approved by the committee also contains a plan to achieve the \$300 million in unspecified cost savings for fiscal year 1988 mandated by the budget conference agreement passed in August. The plan, developed by Committee Chairman G. V. (Sonny) Montgomery and Ranking Minority Member John Paul Hammerschmidt, calls for revisions of health care eligibility requirements that, according to Montgomery, "should not be compared in any way with the Administration's (proposed) means test."

Under the Montgomery-Hammerschmidt proposal, the VA would be required to provide hospital and outpatient care to the following: service-connected veterans; former POW's; veterans exposed to certain herbicides and ionizing radiation; World War I veterans; veterans drawing pension; and any veteran with one dependent whose income does not exceed \$25,000 (\$19,000 for a single veteran).

Any non-service-connected veteran who exceeds the income limit could receive care on a space available basis if he or she agreed to make an initial copayment similar to the one now required by Medicare (estimated to be \$476 for inpatient care in FY '86). Once this payment is made, no other payment would be required over a 12-month period.

"The Administration's proposed means test, which would set the income level at \$15,000 (for health care eligibility) and would require a veteran to spend down to that level,

is too complex and very unfair," said Montgomery.

"The Committee made its commitment clear. By approving our plan, we've said that we're going to take care of all veterans who cannot afford to pay for their medical care. We are assuring eligible veterans that they will receive care when they need it."

According to Rep. Hammerschmidt, the plan "can actually enhance veterans' health care while accomplishing the required savings."

The major portion of the "savings," \$204 million, would come from a provision authorizing the VA to bill insurance companies that collect premiums from thousands of veterans using VA facilities, often referred to as third-party reimbursement. Most health insurance policies have clauses that prohibit such payments.

"In other words, we're raising revenue, not cutting current programs," said Montgomery.

The Committee also approved an amendment to H.R. 1538, offered by Rep. Marcy Kaptur, that would provide for a study of long-term adverse health effects in female veterans who were exposed to herbicides in Southeast Asia.

## A combined high school could solve problems in both local systems

This may be a good time for the political leaders and citizens of Hancock County to think seriously about educational facilities.

As mandated by the Legislature of Mississippi, school systems have to provide kindergarten in their programs.

The Bay St. Louis Municipal Separate and Hancock County School Systems both are now faced with the problems of a shortage of classroom space at all facilities.

Both school systems are in the process of trying to solve the problem by adding classrooms to just about every facility.

This could be a good time for thought on the construction of a combined high school centrally located for use by students from both school systems.

This could possibly give enough space by the shifting of students that there would be no need for additional classrooms at current facilities by the construction of one school.

A vast majority of students in high school now days provide their own transportation. In case you doubt this, view the number of students at Bay High and Hancock North Central who arrive by private auto.

A combined high school could provide so many advantages in the education of students.

The combination of the facilities of both high schools would give students better selection of instructors in English, mathematics, social studies, and natural sciences.

Another thing that could be looked at would be having all of Hancock County students attending school in the county.

It will be a lot easier for a new school system to be formed by the citizens of Hancock County than to have someone else come in and force us to form one they way they want us to.

There is a strong possibility Hancock County could be forced to combine school systems.

This is food for thought, and we would like to hear your comments.

## Quotables by Cuevas

The Bay St. Louis Police Department is in the process of establishing a Neighborhood Watch Program in the Annexed Area bordered by Seube Street, US-90, the Old Spanish Trail and Waveland City limits.

The group has had some five meetings now and will be installing signs in the near future.

As many of you know, Neighborhood Watch is one of the most effective ways of lowering crime rates in an area.

There are some 80 persons living in this area of Bay St. Louis who are participating in the program.

Bay St. Louis Chief of Police Ray Murphy says his department plans to set up Neighborhood Watch programs throughout the city.

Persons interested in having a Neighborhood Watch should call Lt. J.H. Clark, Don Watson or Rita Blaize at the Bay St. Louis Police Department, 467-9221.

A group must remember, a Neighborhood Watch, to be successful, requires residents of an area to become involved.

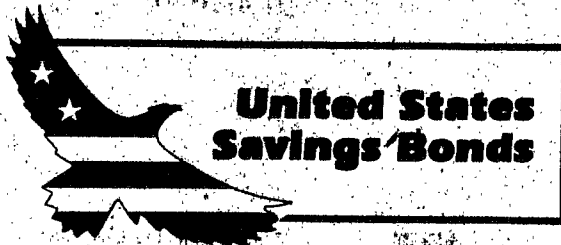

It takes a few hours of the citizens' time to get it organized.

We commend the Bay Police Department on its efforts in organizing Neighborhood Watches.

This is just a reminder that All Saints Day is only a short time away.

We are hoping most folks will not wait until the last minute to clean the graves of their relatives and friends.

We know many have already begun the chore and are getting ready for the very special day in remembrance of the dead.

ALL SAINTS PREPARATION—Randy Williams of Bay St. Louis paints a LaFontaine family tomb in St. Mary's Cemetery in preparation for All Saints Day Friday, Nov. 1. Cemetery officials urge family members to complete

cleanup operations early so that crews may remove the inevitable debris prior to the traditional grave visitations on the Holy Day. (Staff photo by Brenda Heathcock)

# LETTERS TO THE EDITOR

## No trash pickup in 'no-man's-land'

To the Editor:

Come on citizens and homeowners of Bay St. Louis, let's open our eyes and ears, look around and see what is happening to our city.

Ride along South Beach and take a good look, then try and take a ride

ENGMAN AVENUE

down Engman Avenue if you can get through and dodge all the trash.

One poor homeowner tried to burn some trash in front of his house so he could get into his house.

This mess is causing rats, roaches, accidents and six snakes in one afternoon.

Then they want to raise our taxes for us to pay for all this.

That is why you see so many homes up for sale. They are taxed out.

We personally have called the mayor three times in three days with no return of our calls, even though we had a sign in our yard and

## Former resident fondly recalls Ruella Street

Editor  
Sea Coast Echo  
Bay St. Louis

Dear Sir:

This letter is in reference to the Ruella Street closing. I was born in Bay St. Louis in 1918 and lived there on McDonald Lane for 32 years.

Before the seminary came, Ruella Street was a single lane road surfaced with shells and did not erode.

At the base of the hill was a bridge over the water that drained from the large ditches on the sides of Ruella.

That was back when people knew ditches were an integral part of an efficient drainage system.

That was also "back when" the

land was taxable and brought in

revenue; "back when" people cared that the citizens of Bay St. Louis might endanger their lives by crossing US-90.

Perhaps the developers of the Catholic Charity Housing will restore the beauty of the grounds. It is very sad to return and see weeds and vines where azaleas and camellias once bloomed.

I would like to remind the mayor to heed the voices of taxpaying citizens who place safety of human life as a real priority.

Respectfully,  
Florence A. Jordan  
(Nee Finhold)  
New Boston, Tex.

## Drivers warned about Menge Avenue speed limits

Oct. 14, 1985

Editor  
Sea Coast Echo  
Bay St. Louis

Sir:

This letter is being written as a warning to drivers who travel on Menge Avenue in Pass Christian and who are unaware of a recent speed limit of 30 miles per hour on this well-traveled road which is a main artery to and from I-10.

On the other hand, a secondary road, North Street, which runs east and west along the northern boundary of Pass Christian, has a speed limit of 45 miles per hour.

North Street converges into Menge Ave. and unsuspecting motorists, thinking they are allowed the same speed on the more important Menge Avenue, soon find out to the contrary when caught by a certain cop who lurks at one of the crossroads in search of the next victim.

He does not have the courtesy to even get out of his car, but the victim must walk to him while he is sitting down writing a ticket, with the culprit standing in the line of traffic because Menge Avenue does not have any shoulder sidewalk or walkway.

He then asks for your license. One shows it to him under the plastic cover. "Take it out," is his command without even a courteous "please."

Then he takes away your driver's license and keeps it until such time as one pays the fine.

## Please bring back Ma Bell!

Sea Coast Echo  
Bay St. Louis

Dear Sir,

Ain't it astounding? Beyond comprehension!

The federal bureaucracy and the Federal Communications Committee (sic) brutally dismember one of the greatest, most efficient and least costly telephone and communication systems in the world.

Now, the same people have the temerity to criticize AT&T for the shambles in the telephone companies plus contributing to the trade deficit!

This procedure happens only to ladies, particularly little old ladies, not to men—I suppose he is afraid of being beaten up, as I understand once already happened.

This writer usually does not write to editors unless there is some constructive suggestion to better the situation.

As it presently stands, there is a 45 mile-per-hour speed limit on North Street; a 30-mile-per-hour speed limit on Menge Avenue and a 35-mile-per-hour speed limit near the railroad crossing on Menge Avenue.

With all the problems we busy hard-working people must face nowadays (damage and debris from hurricanes), should we also be expected to memorize three different speed limits within a small area of travel to and from work?

Granted, there is a nursing home on Menge Avenue and a railroad crossing.

Why can't the 30-mile-per-hour zone be limited only to the nursing home area as a speed zone and leave the balance of Menge Avenue to 45 miles per hour, the same as on North Street?

The railroad crossing has a flashing yellow light all the time plus the white paint warning on the road, both quite visible: no need of a speed limit sign.

This, for the betterment of our community before its law-abiding citizens are driven out of town by this harassment.

Sincerely,  
Bertha Giani  
Pass Christian

Dear Heavenly Father, please deliver us from those politicians who destroy everything that they touch!

There is nothing wrong with our beloved country that a few honest, patriotic American businessmen couldn't correct in ten minutes.

The deficit, the rat hole of "Entitlement" programs, the criminals in the Defense Department, the suspension of COLA for a year, the termination of the federal printing bureau—all of these things could readily be resolved if the politicians were excluded!

Please bring back Ma Bell.  
Sidney Watson O.D.

## THE PEOPLE'S BUSINESS

Mississippi Economic Council

### A CHANCE FOR SMALL BUSINESS OWNERS

Some small business owners in Mississippi have a few things they want to say to the federal government.

If you're one of those, your chance is coming.

Last year President Reagan signed a law authorizing the convening of a second National White House Conference on Small Business. The law provides that conferences will be held in each of the 50 states before the national conference is held in Washington Aug. 17-21, 1986.

Specifically, the Mississippi White House Conference on Small Business will be held on Feb. 19, 1986, in Jackson. Delegates to the national

conference in Washington will be selected from the participants in the Jackson meeting.

Eight issues of importance to small business owners have been selected for attention in the 1986 conference. They are: procurement and innovation, taxation, entrepreneurial training and education, payroll costs, finance, regulation and paperwork, economic policy, and international trade.

If you're a small business owner in Mississippi and you have something to say on these issues—or any other issue—mark your calendar now for Feb. 19, 1986. Plan to be on hand in Jackson. This is your chance.

## Winn-Dixie continues increase

Winn-Dixie's shareholders learned at the company's recent annual shareholders' meeting that the sales trend continued to improve with an increase in the first quarter of fiscal 1986 of 7.25 percent.

Quarterly sales gains for fiscal 1985 were 5.10 percent, 6.55 percent, 6.96 percent and 7.16 percent.

A. Dano Davis, president, told shareholders that sales for the twelve weeks ended Sept. 18 amounted to \$1,857,495,000 compared with \$1,732,010,000 for 1984, an increase of \$125,485,000.

Net earnings were \$18,643,000 or \$0.46 per share for the first quarter of fiscal 1986 against \$19,463,000 or \$0.48 per share for 1985.

Davis stated: "While we are encouraged by improving sales trends, profits continue to be impacted by more vigorously meeting increased competitive activity and by our ongoing commitment to larger and more varied store formats. We can now meet Sunbelt consumers' needs with conventional supermarkets, super stores, combination stores and super warehouse stores."

Winn-Dixie opened 16 new store locations with an average square footage of 37,300 and closed 16 older store locations with an average square footage of 19,700, having 1,262 locations in operation on September 18, compared with 1,238 last year. Seventy-five new stores are presently under construction.

All present directors of the company were re-elected by the shareholders.

The directors declared monthly dividends of 14 1/2 cents per share on common stock, payable Oct. 31, Nov. 29 and Dec. 27 to shareholders of record on Oct. 15, Nov. 15 and Dec. 13.

Dividends were increased for the 12nd consecutive year in July, when monthly payments increased from 14 cents to 14 1/2 cents per share or 3.6 percent.

## Point of Law

(Prepared by the Mississippi State Bar. Some legal rights may vary from locality to locality. Always consult an attorney when in doubt about your rights.)

**Q:** What happens if a person dies without a will?

**A:** If someone dies without a will (in legal terms dies "intestate") the property will go to the heirs as tenants in common. This means that each heir will own an undivided interest in each item of property in the estate rather than each owning a special item of property as set forth in a will. Land, bank accounts and cars are all treated as equal and are valued accordingly.

Of course, the heirs may agree to divide the property in whatever manner they choose once it is theirs. However, this requires a degree of cooperation that is often missing in these situations. If they cannot agree on a fair division, the heirs may turn to the court to partition it among them. If the court feels that it

cannot fairly divide the property into individual shares, it will order the property sold and the proceeds divided among the heirs.

If the deceased leaves instructions about the property in any form other than a will these instructions have no legal effect. So, if you want your daughter to have the china and your son to have the guns, it can only be assured with a will.

**Q:** What happens to property owned by "joint tenants?"

**A:** In such a case, the deed or bank account will have language to the effect that they own, "...as joint tenants with full rights of survivorship..." or similar language. This means that when the first one dies his or her property goes to the other, and does not go by a will.

**Q:** We love our son, but he can act like a jerk. He wants, but doesn't need, our house when we die. Our daughter, recently divorced, is struggling and could really use this place. Can we make out a deed to her

and hide it so they won't find it until after we're gone?

**No.** This is not the way to approach this problem. You may deed the property to your daughter while you are alive and reserve what's called a life estate for yourselves so that you may live there until you die. You may also have a will drafted that devises the property to your daughter.

But what you've proposed to do would be ineffective to transfer title to the property which requires delivery of the deed to her by you if the transfer is made while you're alive and an instrument conforming to the statute of wills if you're not.

**IS DRIVING AND  
DRIVING WORTH  
LOSING A FRIEND.  
PERMANENTLY?**

The moment called for celebration. Steve and Tommy's college room assignments had been confirmed, promising the continuation of a friendship that had started in the first grade. Sharing a six-pack, they sped along in Tommy's car discussing high school graduation and plans for their future. But the wreck was something neither had figured on. Now Tommy needs a new roommate.

Approximately 46 teenagers will be killed this year in Mississippi by drinking and driving or riding with someone who does. It's your choice.

MAYOR VICTOR FRANKIEWICZ JR.

## Changes..... CONTINUED FROM PAGE 1A

operating costs," he said. Another major construction job to be done in the city is the widening and resurfacing of Central Avenue.

"Getting Central Avenue over its bureaucratic hurdles, I count as an accomplishment although most of the work as far as design work and finances was done before I took office," Frankiewicz said.

The city council recently accepted a bid for the project that is now waiting approval from federal and state governments.

Frankiewicz expects the work to begin on the job within 30 days, depending on notification of official approval.

The 120-day contract will probably be finished by March.

Frankiewicz said another accomplishment he counts is progress in improving the city's drainage system.

"This doesn't show but I believe a lot has been done," he said.

Many of the major choke points which have actually caused flooding in the past have been cleaned out, Frankiewicz said.

"These are ditches that are not easily visible to everybody and with all the rain we have had there has still been flooding, but it seems to be flooding less in the areas that we did the work."

"Some of these have been cleaned out two or three times, between Hurricanes Danny and Elena there was a lot of stuff dumped back into the ditches, but areas where we are doing maintenance seem to be doing well."

Frankiewicz said he recently gave all the councilmen maps and asked them to survey their districts and set up drainage maintenance priorities.

He estimates that it will take about six months of reasonable good weather to make a single pass through the city for all major drainage maintenance needs.

"Essentially that six months is to catch up on major ditches that need to be dug out or regraded," he said.

"Hopefully after that we will be in the position where with just routine maintenance of grass cutting and minor cleaning we will be able to maintain the ditch."

"Once we get that done we're in a better position to see how bad our remaining drainage problems are."

Frankiewicz said at this time many drainage problems are caused by "structural problems" where the culverts are too small or a road is damming up the drainage structure.

He expects there are some areas where even after everything is cleaned out there will still be drainage problems that it would take \$10,000 to \$20,000 each to correct.

"In other cases all the

## Waveland.....

CONTINUED FROM PAGE 1A

repaint it at a cost of \$13,000. That leaves Waveland about \$11,000 left in the settlement, which will be used as needed for water system improvements.

In other business, the board: —Took bids on street paving under advisement pending notification of grant funding;

—Approved price quotes on sheet rock installation and bricklaying at the city new police station, which is under construction;

—Approved Longo's proposal to proclaim Thanksgiving through New Year's Day as "Know When to Say When Month" in observance of Alcohol Awareness Month;

—Approved a contract for supply of books for the Waveland Library; and

—Proclaimed Oct. 17 "Ellis Cuevas Day" in honor of Cuevas' contributions to the community through some 28 years of service at The Sea Coast Echo.

## Stanislaus defeats Riverdale 21-12

The St. Stanislaus Rockchaws defeated Riverdale 21-12 Saturday, ending a three-game losing streak.

St. Stanislaus scored first in second quarter on five-yard run by quarterback Jimmy Dempsey. Eric Doyle kicked the PAT to give the Rocks a 7-0 lead.

Later in second quarter, Dempsey threw a 40-yard pass to Todd Thriffley, who carried it in for six points. Doyle was again successful on the

PAT kick, raising the score to 14-0. Riverdale scored in the third quarter on a four-yard run by quarterback James Brown. The kick was blocked.

Riverdale scored again in the fourth on a 60-yard run when Steve Lewis intercepted an SSC pass.

In the last quarter, Thriffley ran 37 yards for a touchdown and Doyle kicked a PAT for a final score of 21-12.

## PIRATES..... CONTINUED FROM PAGE 10A

Smith from the two about three minutes into the second period.

Lossett, shaken on an earlier play, was replaced at the point-after slot by tight end Mike Elliot whose kick fell short.

Behind 20-0 early in the second quarter, the Pirates failed to get the ball moving on the ensuing possession. Punter Rod Jenkins placed the ball out of bounds on the Blue Devil 40.

Spilers pushed for 20 yards on three carries; Strain, Smith and Edic Nixon added five yards each, and Tillman hit Lee with a 25-yard touchdown pass with three minutes left in the half.

Elliot missed again on the PAT kick and the score remained 20-0 at the half.

Fine play by tackle Jason Dedeaux and others on the Pass defensive squad failed to halt a third quarter drive by the Devils from their own 18 which ended in a 15-yard completion from Tillman to Kenny Smith for a touchdown.

Elliot finally hit the mark with a

one-point kick to bring the Devils to a 33-0 lead with 1:36 left in the quarter.

Midway through the final period, the Pirates again lost the ball on downs, and the Blue Devils took over at the Pass 40.

Back Sean Buntin sparked the following drive to the Pirate end zone for the final touchdown by Shad Smith with 3:42 left in the game.

Elliot remained in the groove with a perfect kick through the posts for the final tally and the Blue Devil winning total of 40-0.

PRC dominance of the ball game is reflected in other statistics, such as 22 first downs to five for the Pirates; zero punts to five for the Pirates averaging 36 yards; and 35 yards lost on three penalties to 60 yards lost on four infractions by the Pirates.

Pass Christian will travel to Vancleave this week for a Friday night contest in Jackson County, while Pearl River Central will be hosting d'Iberville from Harrison County.

## Sewer..... CONTINUED FROM PAGE 1A

could point a finger at us, because we had been in there working at the same time they were.

Frankiewicz said he believes city crews can begin work adding these lines within a year.

"The contractor has 420 days to complete the project but I believe he will be finished long before that."

It should be finished sometime next spring or very early summer, he said.

"Now that doesn't mean that everybody is going to have sewer service everywhere within a year but the smaller extensions that we want to do will be done."

Frankiewicz said he is particularly concerned about a portion of the annexed area where people have sewer lines on both sides but no service.

When the project now underway is completed sewer services will be available on US-90 from Washington to St. John Street on the south side and to Drinkwater Road on the north side.

"This plan really provides a spine for future additions, including the area between Drinkwater Road and Main Street," Frankiewicz said.

Currently all existing users from Bay Bridge to the corner of Main Street on both sides of the highway have services, he said.

There are no specific plans for extending sewer services along the highway west of Washington Street but a lift station being installed at that corner will have the capacity to handle customers from the north side and on out the street, Frankiewicz said.

"Further extensions are included in a long-term plan which depend on

money becoming available and the number of customers justifying the cost," he added.

Most of the south side of the highway west of Washington Street will eventually be served by lines coming from the system now being installed in the Ninth Street area, he said.

Frankiewicz expects approval of final changes in the project within a few weeks.

# Long Beach grabs win from Hawks in 59 seconds

By BRENDA HEATHCOCK

Scoring on a two-point conversion after the final second had ticked off the clock, the Long Beach Bearcats snatched a win from the Hancock North Central Hawks Friday night at Homecoming, 15-14.

The Bearcats took the win after scoring on a 80-yard drive that took only 59 seconds.

Keeping the ball in the air and using their last timeout, the Bearcats tossed the ball six times to surprise both Hancock and Long Beach fans with a score on the final play during regulation game time.

The win came after the game, as the ball was thrown into the endzone for a two point conversion.

Hancock Coach Irvin Favre said this was a very disappointing loss for the Hawks.

"We had too many opportunities to win the game, to not do it," he said.

It was one of those freak things that proves no game is over until the last play, Favre added.

"We went into the game confident we could win but we fumbled it away," he said.

"I guess we just didn't want it bad enough," Favre said.

The Hawks led the entire game, taking the opening kickoff on a touchback.

Stanley Jourdan and Drew Malley each rushed for a couple yards. Following an incomplete pass the punting team took over.

With an excellent field position, the Bearcats took over on the Hawk 47-yard line.

Long Beach Quarterback Randy Clunan handed off to Running Back Robert Taylor who rushed for 15 yards and a first down.

Clunan fumbled the next snap but kept possession by falling on the ball.

A loss of six yards on a play and an incomplete pass forced the punt.

Hawk Defensive Tackle Roy Knight batted down the punt but Hancock was unable to capitalize, fumbling the ball away.

Turnover was the name of the game, as the Long Beach had five plays before losing the ball on a fumble.

Hawk Linebacker Jacob Dupree surprised the Bearcat Quarterback knocking the ball loose. Hancock's Donald Vince recovered the ball.

Beginning a scoring drive in their own territory, the Hawks took the ball 68 yards for the touchdown.

With second and 12, Hawk Quarterback Brett Favre tossed a 17-yard pass to Split End Tommy Lull.

The next gain was by Favre on a quarterback keeper play giving the Hawks first and 10 inside Long Beach territory.

Malley rushed for four yards and a 7-yard pass to Jourdan netted another first down.

A penalty for pass interference against the Bearcats put Hancock just 11 yards from the goal line.

A dangling mouthpiece cost the Hawks five yards but Jourdan gained it back on a 12-yard run.

Jourdan added one more before Drew Malley pushed his way through to score on a one-yard run as the first quarter ended.

Favre connected with Charles Burton in the endzone for the point after touchdown.

Long Beach gained a couple of first downs and 45 yards before punting the ball away.

Favre connected with Lull for eight yards. Jourdan rushed twice for eight yards per carry.

Jourdan moved into Bearcat territory on his next 6-yard carry.

Dodging several Long Beach tacklers, Hawk Charles Burton exploded down the field for a 46-yard scoring run with five minutes left in the half.

The extra point attempt was blocked but the Hawks had the lead 14-0.

The next Bearcat drive ended with an interception give the Hawks possession as the half ended.

Dominating the third quarter, the Bearcats kept possession of the ball holding Hancock to a total of 15 yards offense.

A few minutes in the fourth quarter Long Beach began their first scoring drive from the Hawk 39.

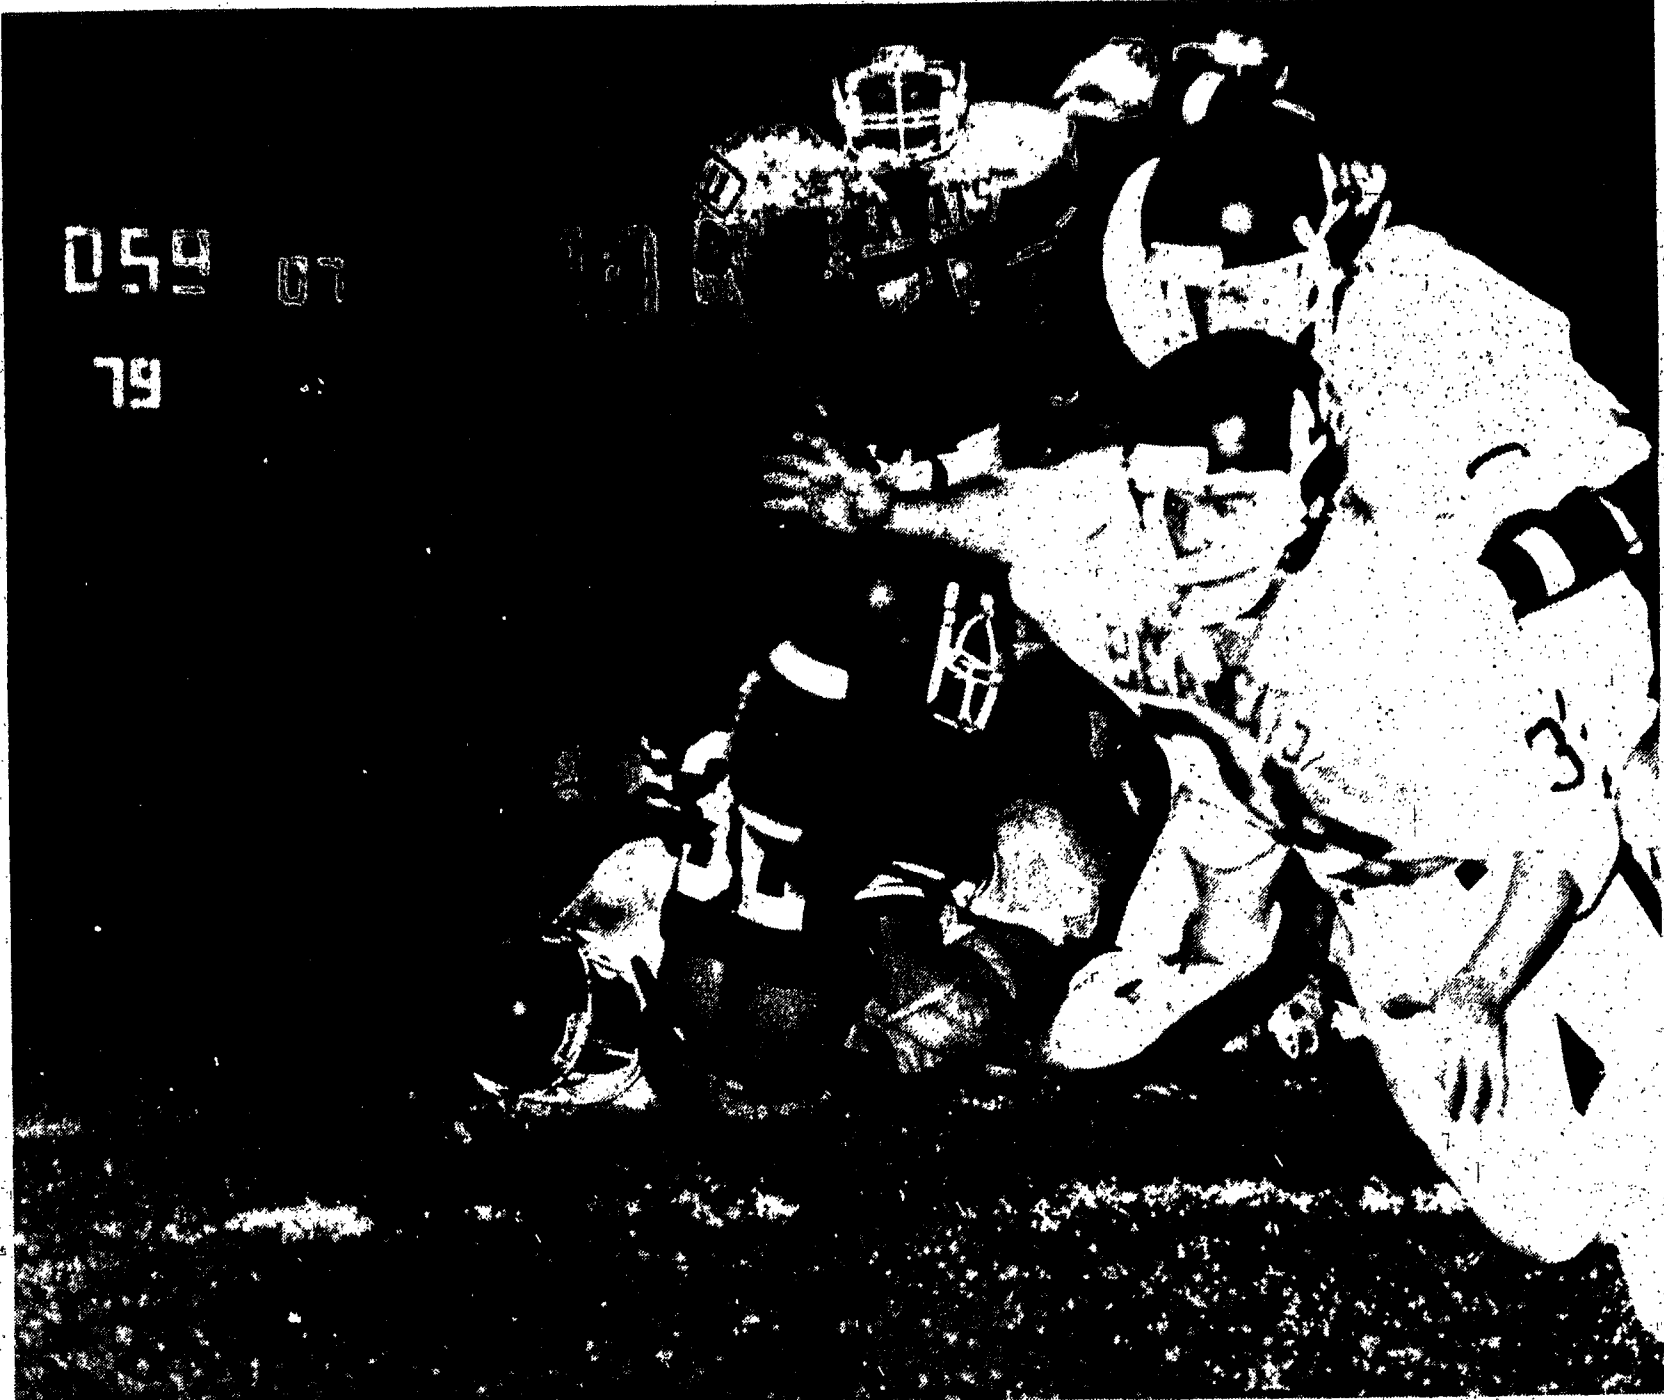

Bearcat Running Back Robert Taylor gained three first downs during this drive with assistance from Kies.

The points came on a one-yard dive by Taylor with 6:48 left in the game. Darin Dean kicked the extra point.

The Hawks took possession and held on until a fumble inside the 10-yard line gave the ball to Long Beach in that final minute of the game.

A Long Beach fan summed up the game saying "I'd rather be lucky than good any day."

Next week the Hancock Hawks will travel to Lucedale to take on district rival George County. Kickoff will be at 7:30 p.m.

WITH 59 SECONDS showing on the clock Long Beach Bearcat prepares to scoop up a Hancock ball fumbled inside the 10-yard line Friday night. Using

the time remaining, the Bearcats drove down the field to score and defeat the Hawks 15-14. (Staff photo by Brenda Heathcock)

HAWK BALL CARRIER Stanley Jourdan is brought down by Long Beach Bearcat Friday night. Jourdan was the leading rusher for the Hancock North Central with a total of 113 yards. (Staff photo by Brenda Heathcock)

## Pirates moaning Blue Devil Blues

By EDGAR PEREZ

The Pass Christian Pirates, in their final home appearance of the season Friday night, were overwhelmed by the Pearl River Central Blue Devils 40-0.

The Pirate offense was stalled to a slim 78 yards rushing while the Blue Devil backs took turns amassing some 242 yards on the ground.

In at least one category, the Pirates were more successful than invaders from Carriere with a total of 60 yards gained through the air on four completions out of 11 attempts.

PRC completed three of six passes attempted for 47 yards.

The Pirates, spearheaded on offense by J. W. Dedeaux and Winston Ausmer, drove to the PRC 20-yard-line in the waning minutes of the second period, but their scoring threat ended when the Devils fell on a Pass fumble at the 28.

The Blue Devil defense successfully warded off another Pirate threat when the home team drove to the PRC 18 early in the third period after Kevin Charlot recovered a PRC fumble at their own 35.

After six plays the Pirates lost the ball on downs.

Pearl River scored its first touchdown halfway through the first period when a pass completion from quarterback Cedric Tillman to wide receiver Russell Lee set up a scoring run by back John Moore.

Guard Wes Lossett booted the ex-

tra point, giving the Blue Devils their early 7-0 lead.

One minute later into the game PRC guard James Philyaw scooped up a Pirate double-fumble to post the Devils' second touchdown from near the Pirate 20-yard-line.

Lossett again was unerring in his point-after attempt, putting PRC ahead 14-0 with 4.5 minutes left in the first period.

Pearl River backs Ted Strain, Tillman, Raymond Spiers and John Moore and tight end Shad Smith

engineered the Devils to the third TD with a 12-play drive from their own 30 in spite of fine defensive play by Pirate Horace Lizana.

The score came on a plunge by

PIRATES—Page 8A

PIRATE BACK Winston Ausmer (37) skirts right in an attempt to avoid the Pearl River Central Blue Devil line after taking a handoff from Quarterback J. W. Dedeaux (18). Closing in on Ausmer are Blue Devil Backs Raymond Spiers (22) and Terrance Ertis (51). The Devils won the Friday night contest at Pirate Stadium 40-0. (Echo staff photo by Edgar Perez)

## Ninth grade Hawks shut out Bearcats

By DENA BISNETTE

Hancock North Central's ninth grade Hawks upped their record to 4-2 Friday by shutting out Long Beach 43-0.

According to Coach Joe Shaw, much of the credit for the win went to Terrance Goff, who scored five touchdowns for the Hawks.

"All the kids played well, but Goff with his five touchdowns is just amazing," Shaw commented.

"He has had good games all year, but this is the most one of our players has scored in a single game in a long time."

Goff opened the scoring for the Hawks in first quarter with a touchdown on a 62-yard punt return.

A two-point conversion attempt missed, giving the Hawks a six-point lead.

Later in the first quarter, Goff scored on a 58-yard run.

The Hawks added two points on a pass from quarterback Jeff Moran to halfback Tim Cox for a score of 14-0.

Goff scored again on a 48-yard pass from Moran. The Hawks got the extra point on a pass from Moran to split end Bobby Lewis for a 22-point lead.

In the second quarter, Goff scored again on a 68-yard run. The PAT was kicked by Larry Beech and the score stood at 29-0 at halftime.

In third quarter action, Goff scored for the fifth time from 34 yards out. The Hawks then went for two and missed, leaving the score 35-0.

Lewis scored from 21 yards out in the fourth quarter and the Hawks

added a two-point conversion on a run for a final score of 43-0.

Shaw said he was also pleased with the performance of the Hawk defense.

In addition, he credited cornerback Casey Davis with a key interception.

Shaw said the ninth grade Hawks have been defeated only by close scores and undefeated teams, losing to Stone County 14-12 and St. Martin 13-12. He said the team has made it their goal to get into a bowl game.

"We have a real exciting team on offense. They put a lot of points on the board. We have gained 145 points in six games, while our defense has given up only 45," the coach added.

Next week, the ninth grade Hawks host George County in their last home game of the season. Gametime is 7 p.m. at Hancock North Central Stadium.

The ninth grade Hawks' remaining away games will be against Bay St. Louis and D'Iberville.

## Sports Brief

### REFEREE CLINIC

Tom Demboski, referee with Bay Area Youth Soccer, reports a referee's clinic is scheduled for 7:30 p.m. Tuesday, Lutheran Church of The Pines, US-90, Waveland.

New and former referees, coaches, parents, and soccer enthusiasts are encouraged to attend, he noted.

## Clubs, Auxiliaries

### Bay-Waveland Garden Club

The Bay-Waveland Garden Club held its monthly meeting Thursday, Oct. 10, at Gulf Islands National Seashore Park, Ocean Springs.

Mrs. John Newkirk, president, announced that the club had received the following Certificates of Merit from the Garden Clubs of Mississippi Inc.: Scholarship—Youth Nature Camp; and Honor Roll—Daisy Intermediate Garden Club. The club also received a Certificate of Appreciation for a gift to State Headquarters.

Members were reminded of the Flower Show held at Edgewater mall on Saturday, Oct. 12, and the Flower Show School V to be held at the Waveland Civic Center from Oct. 29 through 31.

The club has been sponsoring an effort to get an ordinance passed in local areas for the protection of trees, and it was announced that the City of Bay St. Louis has adopted such an ordinance.

Pre-registration blanks to have trees declared historical will be available to the public at the Bay St. Louis, Kiln and Waveland libraries, and the Chamber of Commerce of Hancock County.

The Garden of the Month award in Bay St. Louis was given to Woody Allison, 302 Seube, and in Waveland to Father Dowling, 303 Jeff Davis.

Mrs. Peter Brotmeyer placed a floral arrangement in the Waveland Library for the month of October, and Mrs. James R. Shadoin placed one in the Bay St. Louis Library.

Mrs. L. Dale Gauthier reported the club is undertaking the beautification of the area around the Hancock County Courthouse Annex Building.

Following a picnic lunch, refreshments were served. The hostesses were Mrs. L. Dale Gauthier, Mrs. Lelyn Nybo, Mrs. John Holmes, Mrs. William Ose, Mrs. J. H. Duggan, Mrs. Joseph Church, Mrs. Dorothy A. Brown, Mrs. P. A. Pursley, Mrs. George Baud and Mrs. Victor Cavaroc.

### Spanish Trail District

The fall meeting of the Spanish Trail District was held in Gulfport recently and was hosted by the eleven garden clubs comprising the Gulfport Council of Garden Clubs. The setting was the fellowship hall of the First United Methodist Church. Forty-two different Garden Clubs were represented.

The meeting was called to order by the district director, Tricia Weatherly, who also offered the Garden Club Prayer. The Pledge of Allegiance was led by Elizabeth Padgett, the vice president of the Gulfport Council of Garden Clubs and a member of Gulfport Garden Club.

A welcome to Gulfport was given by mayor Leroy Urie. He encouraged all members to care for the trees left from the storm and plant new trees to replace the trees lost in Elena.

Greetings from the Gulfport Council of Garden Clubs was given by Shirley Pate, the president of the council and a member of Gulfport Garden Club and Glen n' Grove.

State President Mary Lou Williams was introduced, she gave a speech and introduced the other ten state officers who were present, and John Snuggs of the Mississippi Highway Department.

Honey Johnston invited all garden clubs to the Christmas Holiday House at the State Headquarters in Greenwood, Dec. 1-6, 10 a.m. - 6 p.m. Tickets are \$3.00.

There is a Preview Party Saturday, November 30 at 6:30 p.m. Advance Registration is \$25 per person. Mail registration to Mrs. L. A. Gray, Box 265, Sidon, Miss. 38954. Deadline is November 20.

Many Garden Clubs gave handcrafted ornaments for use on the Christmas tree in the State Headquarters. The 30th Mississippi Landscape Design Seminar was held at Mississippi State on October 16.

There were two Junior Awards. Richton Junior Garden Club sponsored by the Richton Home and Garden Club was the tricolor winner and the Daisey Intermediate Club was an Honor Roll Club sponsored by the Bay Waveland Garden Club.

The top awards for the largest total points in the President's report of a year's work was first place Gulfport Garden Club with 178 points improving from last year's 145 points.

The Long Beach Garden Club was second place.

There were 24 President's reports, but there were 21 honor roll clubs and six very high honor roll clubs: Diamondhead, Sunkist, Gulfport, Long Beach, Ocean Springs, and Pass Christian Garden Club.

Mrs. Dottie Culler, Four Seasons president, gave a report on the hurricane damage to trees at Beauvoir.

A report on Environmental Awareness was given by Becky Strickland, president of the Richton Garden Club. All the Garden Clubs present were unanimous in their rejection of any long term or short term storage and transportation of nuclear waste in the state of Mississippi.

### Delta Kappa Gamma

The Alpha Upsilon Chapter of Delta Kappa Gamma Society International held its first meeting of the new year Saturday, Oct. 12, at the Best Western in Gulfport.

The brunch meeting was hosted by Nancy Lockhart, Corrine Allen, Fannie Densen and Mildred Talbot.

A major purpose of this meeting was the induction of new members Karen Deem and Dianne Wilson, both teachers in the Pass Christian School District.

President Frances McDonald conducted the meeting and Sherrill Haynes, program chairperson, introduced the 1985-86 theme "Endow! Endow! Generations with a Unique Heritage".

Delta Kappa Gamma was founded in 1929 to honor women who have given outstanding service in the field of education and to advance the professional interest and position of women in education. Today there are approximately 155,000 members not only in the United States but also in twelve foreign countries.

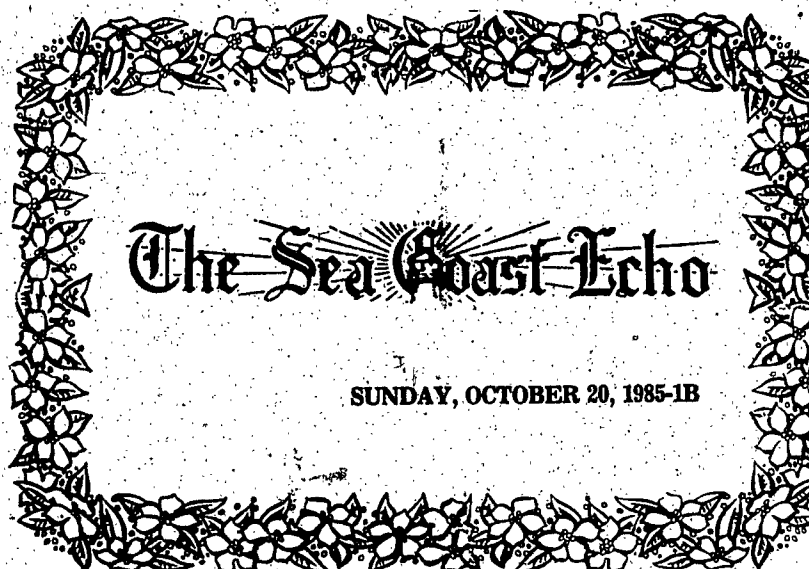

### VFW Auxiliary 5931

A carnival was held at the VA Hospital in Gulfport Oct. 9 where Post 5931 Ladies Auxiliary had a booth and prizes were given to the veterans. Those attending from Post 5931 were Commander Leroy "Nip" Necaise; Auxiliary President Mattie Mitchell; Mississippi State Auxiliary President Norma Bonney and two VAVS Deputies, Patricia Necaise and Inez Bourdin. Three post members and four auxiliary members assisted.

On Oct. 9 auxiliary members entertained patients at the Dixie White House Nursing Home. Hosting the party was Evelyn Lizana and Nora Necaise as chairman and co-chairman, assisted by Anne Latino and Louise Lapeaux. Bud Spier and his band entertained approximately 50 patients. Eight birthdays were celebrated and refreshments were served.

**REGIONAL HOSTS**—Members of the Bay St. Louis Chapter, Junior Auxiliary reviewing plans for a regional meeting to be hosted by the local group Thursday at Diamondhead Country Club are, seated, Patsy Dubuisson, chapter president and general chairman of the regional meet; standing left, Marjoe Gex, chapter first vice president; and Linda Langston, treasurer, all of Bay St. Louis. Some 300 delegates are expected from Junior Auxiliary chapters in Poyune, Gulfport, Biloxi-Ocean Springs, Moss Point, Pascagoula and Bay St. Louis, as well as national officers. Theme of the event, hosted by Bay St. Louis for the first time in nine years, is 'By The Bay With J.A.' (Echo staff photo by Edgar Perez)

### Lewis-Davis

Mr. and Mrs. Boris Lewis of Bay St. Louis announce the engagement and forthcoming marriage of their daughter, Sharon LaQuitta Lewis, to Franklin McKinley Davis, son of Mr. and Mrs. Freddie Wright and Mr. Walter Davis, all of Bay St. Louis.

The bride-elect is a 1979 graduate of Bay Senior High School. She is employed with Jitney Jungle Stores.

The prospective groom is a 1973 graduate of Bay Senior High School. He is employed with Mason Chamberlain, Inc.

First Missionary Baptist Church will be the setting for the December 7 marriage at 2 p.m.

**TOAST TO THE COAST**—Among the principals involved in staging the second annual "Toast To The Coast" fund-raiser to be sponsored by Coast Episcopal Schools PTO Friday are from left, Sandy Hartwell, auction chairman; Trailer McQuilkin, exhibiting artist; Jerry Fisher, musician; and William Vrazel, chef. The event, featuring specialty dishes served by Gulf Coast restaurants, gets underway at 7 p.m. on the lawn of the Paul T. Westervelt residence, 519 East Scenic Drive, Pass Christian. Work of Gulf Coast artists and musicians, exotic door prizes, and dancing will also be featured. The event is sanctioned by Greater Gulf Coast Arts Council. Donation is \$25 per person, black tie optional.

### Burke-Frey

Our Lady of the Gulf Catholic Church was the setting for the October 12 noon marriage of Monica Jane Frey and Charles Edmund Burke. The Rev. Monsignor James McGough assisted by the Rev. Charles Venus con-celebrated a Nuptial Mass.

The bride is a daughter of Mr. and Mrs. A. J. Frey Sr. of Pass Christian. The groom's parents are Mrs. Erroll Francis Broussard of New Orleans and Mr. Patrick Davis Burke of San Antonio, Tex.

Arrangements of white mums, roses and gladioli with baby's breath adorned the altar, while brass candelabras lined the aisle.

Musical selections were presented by Mrs. John McKenna, organist, and Sharon Marvis, soloist.

A. J. Frey III, nephew of the bride, served as altar boy.

Escorted to the altar by her father, Albert Jules Frey Sr., the bride wore a formal gown of white slipper satin, fashioned with Victorian neckline and enhanced with Alencon lace and seed pearls and featuring a full skirt with cathedral-length train. An Alencon lace caplet

held a fingertip veil of bridal illusion edged in lace and pearls.

She carried a colonial-style bouquet of white roses and rosebuds and baby's breath with a touch of pale pink.

Amy Lynn Frey of Pass Christian attended her sister as maid of honor. Bridesmaids were Kim Fields of Lafayette, La.; Shelly Ferro of Metairie, La.; and Claire Laura Frey of Kenner, La., sister of the bride.

Junior bridesmaids were Angela Guinchard and Carrie Anne Frey, nieces of the bride; and Kelley Broussard, sister of the groom, all of New Orleans.

Theresa Claire Bertucci of Chalmette, La., niece of the bride, was flower girl.

The attendants were attired in floor-length gowns of slipper satin, each with full flared skirts, heart-shaped neckline and dropped shoulder styling. The bridesmaids wore burgundy, while the junior attendant was attired in rose and the flower girl in pale pink.

They carried nosegays of pale pink, rose and burgundy rosebuds

and baby's breath with complementary ribbons and wore headpieces of matching flowers.

Ken Blankenship of Gulf Shores, Ala., was best man.

Groomsmen were Patrick Burke of Kansas City and Michael Burke of New Orleans, brothers of the groom; Chip Peterson, cousin of the groom; Terry Broussard, stepbrother of the groom, and Herbert Peterson, uncle of the groom, all of New Orleans.

Ushers were A. Jay Frey Jr., brother of the bride, and Tom Broussard, stepbrother of the groom, both of New Orleans.

Ring bearer was Christopher Schindler of Destrehan, La., nephew and godchild of the bride.

Mrs. Frey chose for her daughter's wedding a tea-length gown of royal purple silk, fashioned with long sleeves, blouson dropped waist and flared skirt.

The mother of the groom chose a tea-length ensemble featuring a rose chiffon overblouse and straight skirt.

A reception followed the ceremony at the home and lawn of the bride's parents on Bayou Boisde, Pass

Christian.

Assisting at the reception were sisters of the bride, Mesdames JoAnne Guinchard of New Orleans, La.; Ruth Bertucci of Chalmette, La., and Mary Anne Schindler of Destrehan, La., and Kathy Frey, sister-in-law of the bride.

On return from a wedding trip to the Pocono Mountains in Virginia and Pennsylvania, the couple will reside in Atlanta, Ga.

(Photo by Luther Lathier)

CATHY LADNER AND THELMA KERGOSIEN

## BPW names local winners

The week of Oct. 20-26 has been proclaimed National Business Women's Week by Ronald Reagan and Governor Bill Allain.

In celebration of National Business Women's Week, the Bay-Waveland Chapter of the National Federation of Business and Professional Women (BPW) announces the presentation of their Women Of The Year awards. The awards are based on national criteria which include outstanding contributions by women in business, assistance to women for career advancement, and community service.

The 1985 Bay-Waveland selections for Women Of The Year are:

Cathy Ladner, State Farm Insurance, Waveland; and Mrs. Thelma Kergosien, secretary of the Hancock County American Red Cross.

Ms. Ladner was born and raised in Bay St. Louis, the youngest of 12 children. She graduated from Hancock North Central High School, and attended Mississippi Gulf Coast Jr. College-Jeff Davis Campus, and University of Southern Mississippi.

She serves on the Board of Directors of the Chamber of Commerce and the Parish Council at Our Lady of the Gulf Catholic Church. Ladner resides in Bay St. Louis with her husband Keith and 2 children.

She opened her State Farm insurance office in September of 1982 and was named "Rookie of the Year" by the Gulf Coast Association of Life Underwriters in 1984. She

recently opened a new office building at 700 Hwy. 90 near Water Tower Plaza in Waveland.

Mrs. Thelma Kergosien was born and raised in Sumrall, MS. She received her B.A. degree in elementary education from Mississippi University for Women. She taught school in the Bay St. Louis public school system for three years. She married Laurent Kergosien in 1936 and has three children and 13 grandchildren. Ms. Kergosien currently resides in Bay St. Louis.

Her contributions to the community began nineteen years ago, when she accepted the post as secretary of the Hancock County American Red Cross. Her tireless efforts on behalf of others have included emergency service to military families, relief work during natural disasters such as Hurricane Camille, and more recently, Hurricane Elena.

The local Business and Professional Women's Club will present these honors at a dinner to be held during National Business Women's Week, on Tuesday, Oct. 22, at 6:30 p.m. at the Landmark Restaurant in Bay St. Louis.

Anyone interested in attending the dinner may contact Sandy Engelbracht at 467-9280, or Pat Meeks at 467-0507. The BPW/USA is the world's largest and oldest organization of working women. For more than 60 years the BPW has sought increased opportunities and recognition for women in all walks of life.

## Births

### CHARLES MICHEAL BAUGHMAN

Mr. and Mrs. Charles R. Baughman of Waveland announce the birth of their second son, Charles Micheal, October 1, 1985 at 8:37 a.m. at Hancock General Hospital.

He weighed 7 pounds, 2 ounces.

Mrs. Baughman is the former Belinda Herndon.

Maternal grandparents are Mr. and Mrs. Edward J. Herndon of Waveland.

Paternal grandparents are Mrs. Emma Baughman of Bay St. Louis and the late Clarence E. Baughman.

Welcoming his brother is Micheal Ray Baughman.

### CONRAD LEX MAUFFRAY III

Mr. and Mrs. C. Lex Mauffray, Jr. of Bay St. Louis announce the birth of their second child, Conrad Lex III, October 2, 1985 at 3:20 p.m. at Hancock General Hospital in Bay St. Louis.

He weighed 6 pounds.

Mrs. Mauffray is the former Lisa Hesler.

Maternal grandparents are Mr. and Mrs. Bill Bohn of Kenosha, Wisc. Paternal grandparents are Mr. and Mrs. Conrad Lex Mauffray, Sr. of Bay St. Louis.

## 'Heart' concert set for Oct. 23

The classic rock group, Heart, will perform in concert Wednesday, Oct. 23 at 8 p.m. at Reed Green Coliseum on the University of Southern Mississippi campus.

Since inception in 1976, Heart has sold more than 15 million albums worldwide. Their string of hits includes such classic rockers as "Crazy on You," "Magic Man," "Barracuda" and "Dog and Butterfly."

The group, Autograph, will provide the opening act. The event is being sponsored by the University Activities Council.

Tickets for USM students are \$9.50, general admission is \$11.50 and reserved floor seats are \$12.50. Tickets are on sale at the USM University Union lobby, Beautiful Day and the Haberdash in Hattiesburg, Tom & Calico Cat in Laurel, and the Be Bop Record Shop in Jackson.

## Diocesan festival to feature Catholic University liturgist

Father Eugene Walsh, SS, an internationally known liturgist teaching at The Catholic University of America, will conduct the Diocese of Biloxi's Festival of Worship II and Renewal Weekend Nov. 9-11 at the Biloxi Saenger Theatre and Nativity BVM Cathedral.

A member of the Society of St. Suplice, a group of priests dedicated to the education and guidance of seminary students, Father Walsh has since 1980 presented workshops on worship in dioceses all over the U.S. and Canada.

At age 75, Father Walsh uses his special humor and dynamic personality in his workshops intended to help Catholics understand the renewal of the Catholic Church initiated by the Second Vatican Council.

cl.

Sponsored by the Biloxi diocese's Office of Liturgy, workshops are scheduled as follows: Nov. 9, general session designed for all Catholics, 9 a.m. - 5 p.m., Saenger Theatre; Nov. 10, youth session, 1:30-4:30 p.m., Nativity BVM Cathedral; Nov. 11, liturgy planners' session, 7-9:30 p.m., Nativity BVM Cathedral.

Participation fee is \$5 through Oct. 20, and \$8.50 after the deadline. Fees should be mailed to Festival of Worship, P. O. Box 1189, Biloxi, MS 39533-1189.

For information contact Father Ivan Siekmann, coordinator Office of Liturgy, 466-6046. The public is invited, said Father Siekmann.

## 'Speaking Oracles of God'

-I Peter 4:11

By W. Edwin Kearley, Minister

501 Pine St.

Bay St. Louis

### CHRISTIAN PARENTS

The home was instituted by God. The Bible says, "And the Lord God caused a deep sleep to fall upon Adam, and he slept; and he took one of his ribs and closed up the flesh instead thereof; and the rib, which the Lord had taken from man, made he a woman, and brought her unto the man. And Adam said, This is now bone of my bones, and flesh of my flesh; she shall be called woman, because she was taken out of man. Therefore, shall a man leave his father and his mother, and shall cleave unto his wife, and they shall be one flesh." (Genesis 2:21-25)

The woman that God made was made to be a "help-meet" (suitable) for man. (Genesis 2:18)

"And God blessed them and God said unto them, be fruitful, and multiply and replenish the earth..." (Genesis 1:28)

It is certainly true, people need to prepare themselves to be parents. Preparation must take place in several areas. Children need food, clothing, shelter, education (spiritually and secularly), love, discipline, and understanding.

People need to prepare themselves so they can earn enough to care for themselves and their offspring. They must of all need to prepare themselves spiritually to be able to live an example life before their children and to teach them how to live spiritually. Paul taught, "And ye fathers provoke not your children to wrath; but bring them up in the nurture and admonition of the Lord." (Ephesians 6:4)

Someone has listed 20 qualities for Christian parents. They are as follows:

- (1) Love and patience;
- (2) Teach children love of God;
- (3) Exercise discipline: (a) This is done so that children have respect for parents. (b) Apply discipline immediately. (c) Make the discipline be appropriate to the crime;
- (4) Teach children the standards of Christian living as early as possible;
- (5) Remember to set a good example: The example of Timothy's mother and grandmother were cited in the Bible. Also in Ezekiel 16:44, "As is the mother, so is the daughter."
- (6) Talk across to the child, not down to him;

Dr. Wm. L. POWELL

### UNRECOGNIZED PINCHED NERVES

Pinched nerve is a term utilized by the Chiropractic profession describing an irritation disturbance of a spinal nerve. Falls, auto accidents, lifting wrong, may cause a displacement of a spinal bone, which then can pinch nerves and interrupt normal nerve function. Some of the more common complaints that may develop from pinched nerves are: dizziness, numbness, numbness, pain in the chest, stomach, neck or back. Often, a person may not associate his condition with pinched nerves thus allowing these conditions to go unrecognized until an advanced state of illness develops. A competent Chiropractic examination will lead to early detection and the application of care will add prompt recovery.

## HALLOWEEN CARNIVAL

Annunciation School, Kiln is sponsoring Halloween Carnival, 6-9 p.m. Friday, Oct. 25, school gym. Public invited.

## Cochran mobile office to visit

Senator Thad Cochran is dispatching his mobile office staff to five counties in the Gulf Coast area on Tuesday and Wednesday.

The senator's mobile office staff will be at the Hancock County Courthouse in Bay St. Louis at 11 a.m. Tuesday, the Harrison County Courthouse in Gulfport at 2 p.m., and the courthouse in Biloxi at 4 p.m.

On Wednesday the mobile office staff will be at the Jackson County Courthouse in Pascagoula at 9 a.m., the George County Courthouse in Lucedale at 11 a.m., and the Stone County Courthouse in Wiggins at 1:30 p.m.

Citizens who may wish to discuss

issues before the 96th Congress, or a case situation involving a federal agency, are invited to stop by the courthouse in their respective area and meet with the senator's staff.

Persons interested should contact the Chancery Clerk's office for exact location at the courthouse in their area. The mobile office will be at each stop for approximately one hour.

Senator Cochran's mobile office visits are part of a constituent service program he initiated to help provide direct contact between his office and citizens at the local level throughout the state.

## Philosophy professor analyses origins, durability of Halloween customs

(The following article resulted from a grant from the Mississippi Committee for the Humanities to the Mississippi Press Association.)

## HALLOWEEN:

## THE PAGAN HOLIDAY

By Michael Harrington  
Department of  
Philosophy & Religious  
University of Mississippi

Ever wear a spooky costume or look for ghosts in graveyards at midnight on Halloween? Then you participated in pagan customs whose continuing popularity testifies to their appeal to basic human needs.

Halloween began in the Celtic Festival of Samhain. October's passage meant a failing sun could no longer deter deadly winter weather. Celts believed that a similar weakening in the spiritual realm allowed the dead to return to their earthly homes.

On October 31, Samhain, or Lord of the Dead, opened the gates of the underworld to permit the dead and the evil to roam freely among the living for one night.

The benevolent spirits were content to visit their former homes, but the ghouls could snatch living souls and destroy property.

As a result, prudent Celts took special precautions. Homes were cleansed and offerings for the family dead were placed on the hearth.

Bands of men and women in grotesque costumes crept through the countryside to frighten away demons.

Their fear sometimes led to hysterical destruction when outbuildings were burned and passers-by assaulted, reenacting the strange custom of people imitating evil in order to control it, as if their vandalism prevented even worse devastation.

People also lit bonfires and sometimes performed sacrifices to ward off the night creatures. Around the fire people played games predicting the future.

For instance, a young woman might toss an apple peel over her left shoulder to see it curl into the initial of her future mate's name.

Or, stones would be thrown into the fire at night and the ashes probed in the morning: persons whose stones were missing were doomed to die before the next Samhain.

Thus Samhain customs gave the Celts a sense of control over the seasons and the spirits by combining two ancient rites: propitiation of the dead and renewal of their support for the living.

Christian missionaries made samhain into a Christian holiday, following Pope Gregory the Great's

instructions to convert pagans and pagan festivals alike.

November 1st was made into a day honoring all saints without a day of their own. It was called All-Saints' Day, then All-Hallows (for all hallowed people), and finally Hallow-Mass (the service for the hallowed).

The night before was All-Hallows Eve, or as popularly shortened, "Hallow'een."

However, the idea that evil was afoot that night was too strong a belief to be destroyed. So church authorities proclaimed Halloween a time when the Devil tried to regain his lost power.

Crosses and relics were paraded in torchlight processions and around the traditional bonfires. Costumes were permitted, although parishoners were urged to dress as angels or saints rather than devils and demons.

Trick-or-treating arose from the church-organized "soul-caking." Singing carolers would pray for the souls of the departed and the householders would reward them with a sweet pastry called a "soul-cake."

The ensuing blessing kept the house safe that night from the malicious tricks of devils.

The Jack O'Lantern is another pagan custom rewritten into a Christian tale.

A smart, but mean, old man named Jack tricked the Devil into swearing that Hell would never claim his soul.

After a dissolute life, Jack was refused admittance into Heaven and deposited unceremoniously at the gates of Hell.

But true to his promise, the Devil barred his way. When Jack in despair asked where he could go, the Devil mockingly told him to haunt the earth forever.

As Jack trudged back up the tunnel, the Devil laughingly threw a live coal from the hellfires. Jack caught it in a turnip he had been eating and used it as a lantern.

In the United States, a pumpkin is substituted in the tale.

So Jack still wanders the world with his lantern, as mean and miserly as ever, becoming visible only on Halloween.

To frighten him away, householders place candles in fiercely carved pumpkins or Jack O'Lanterns.

And so Christianity absorbed the pagan customs by turning them to its purposes. But it never wholly eradicated the original pagan belief

that the supernatural world as exemplified by witches and ghosts and skeletons is close by.

Halloween today is a secular day, its religious connection all but forgotten. Its vandalism and cruelty (e.g., poisoned candy) make it as much a nuisance as a genuine celebration.

Valiant efforts by groups such as UNICEF to redirect its rites have failed, perhaps because they spring from no authentic religious base.

Why does Halloween remain so popular? Perhaps beneath our civilized veneer, there is a subconscious dread of the coming of winter and the suspicion that evil and the dead are closer to us than we realize.

Halloween may be one phase of the ancient religious belief that our rational everyday world is only one place of an eternal struggle between good and evil.

Far from being irrational, Halloween ritual may be a way by which our rational soul becomes aware of the very real dangers of incarnate evil.

In that case, Halloween in its pagan rites will continue to be a

powerful, living force in the technological society of 20th century America.

## DAY'S FRONTIER

To our many friends and customers of Hancock County and surrounding area, we would like to thank you for your patronage during the past 13 years of our business.

Our aim was to be of service to the people of this area and hope very much we have done so.

As of October 11, Mr. Van and Lydia Schultz have purchased our business.

We feel we are leaving it in very capable hands. The store will continue to be a full service feed store.

If we can be of any assistance to our former customers, please do not hesitate to call.

## THANK YOU

George, Irma, Lora Day  
& Lisa Day Necaise

## We fix what matters most.

When accidents happen or illness strikes, the need for prompt, expert medical care can be critical.

Now you can have peace of mind, knowing that 24-hour emergency care is only minutes away.

NorthShore Regional Medical Center offers complete round-the-clock emergency medical services:

•The only ambulance service on the North Shore with 24-hour coverage by national registered paramedics, from the emergency site to the hospital. Registered paramedics are specialists in recognizing and responding to life-threatening crises.

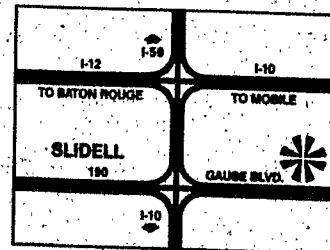

•A highly skilled, caring emergency and trauma staff, backed by our medical staff of leading area physicians.

•State-of-the-art equipment in ambulances and the Emergency Room.

## Another advantage: tiered-pricing

Tiered-pricing means that you pay only for the degree of care you require. Unlike most hospitals, NorthShore does not charge a flat fee for Emergency Room admissions. In other words, a sore throat doesn't cost you as much as a serious fracture.

For yourself and your loved ones, remember NorthShore's 24-Hour Emergency Care Ambulance Service: 646-5050. Outside Louisiana, call toll-free: 1-800-344-6695.

1 mile south of the I-10, I-12 and I-59 intersection. Adjacent to the Gauss Blvd. (190) exit, east of I-10.

### COUNTY OF HANCOCK

#### SUBSTITUTED TRUSTEE'S

##### NOTICE OF SALE

WHEREAS, on September 13,  
1964, LESTER J. CLINE and BET-  
TY S. CLINE, executed a Deed of  
Trust to BEN D. HENDRIX,  
Trustee, for the benefit of  
CREDITHURST OF AMERICA, INC.,  
which said Deed of Trust is now of  
record in the office of the Chancery  
Clerk of Hancock County, at Bay St.  
Louis, Mississippi, in Book 288 at  
Pages 340-341 of the Records of Deeds  
of Trust of said county;

WHEREAS, default was made and  
now exists in the payment of the in-  
debtedness secured by said Deed of  
Trust; and  
WHEREAS CREDITHURST OF  
AMERICA, INC., as owner and holder  
of said Deed of Trust, and the in-  
debtedness secured thereby, has ex-  
ercised its option to appoint the  
undersigned as Substituted Trustee in  
the place and stead of BEN D. HEN-  
DRIX, which instrument of Substitu-  
tion was executed on September 30,  
1965, and is now in the aforesaid  
Chancery Clerk's office in Book 281  
at Page 285;

WHEREAS, CREDITHURST OF  
AMERICA, INC., as owner and holder  
of said Deed of Trust and in-  
debtedness secured thereby, has ex-  
ercised its option to appoint the  
undersigned as Substituted Trustee in  
the place and stead of BEN D. HEN-  
DRIX, which instrument of Substitu-  
tion was executed on September 30,  
1965, and is now in the aforesaid  
Chancery Clerk's office in Book 281  
at Page 285;

NOW, THEREFORE, I, the un-  
dersigned GEORGE W. MURPHY,  
Substituted Trustee, hereby give  
notice that on November 12, 1965  
during the legal hours of sale, I will  
proceed to sell at public auction, at  
public outcry to the highest and best  
bidder for cash at the East main  
front door of the Hancock County  
Courthouse in Bay St. Louis,  
Mississippi, the following described  
lands with all improvements thereon  
situated in Hancock County,  
Mississippi, and described as  
follows, to-wit:

Lots 1, 2 & 3, Square 16 Unit One  
(1), Shoreline Park Subdivision,  
Hancock County, Mississippi as per  
map or plat thereof on file with the  
Chancery Clerk of Hancock County,  
Mississippi.

The undersigned Substituted  
Trustee will convey only such title as  
is vested in him as Substituted  
Trustee.

WITNESS my signature this 16  
day of October, 1965:

GEORGE W. MURPHY  
Substituted Trustee  
10-20; 10-27; 11-3; 11-10-65

**IN THE CHANCERY COURT HANCOCK COUNTY**  
RAY ST. LOUIS MISSISSIPPI 39209  
JOHN V. LADNER, PLAINTIFF VS. THE UNKNOWN HEIRS AT LAW OF CEVILLE LADNER AND EMMA LADNER, DECEASED, DEFENDANTS

**SUMMONS**  
CAUSE NO. 11,146  
TO: The Unknown Heirs at Law of Ceville Ladner and Emma Ladner, Deceased, whose present residence and address are unknown. You have been made Defendants in the lawsuit filed in this Court by John V. Ladner, Plaintiff, whose address is c/o P.O. Box 121, Bay St. Louis, MS 39209. The Complaint filed against you has initiated a civil action alleging that the sole and only heirs at law of Ceville Ladner and Emma Ladner, Deceased, were John V. Ladner, Welton Ladner, Emma Ladner, Traina a/k/a Emma Ladner, Lacharte, Ray Ladner, Betty Lou Ladner Runshlemer, Esther Ladner Ladner a/k/a Esther L. Ladner, Glynis Ladner, Edna Ladner Avin a/k/a Edna Ladner Guidry, Ceville Ladner, Jr. a/k/a Ceville Ladner, Wilma Ladner Hurst, Albert Necaise and Herbert Necaise, and seeking confirmation of same.

You are to mail or hand deliver a copy of a written Answer either admitting or denying each allegation in the Complaint to George H. Lipscomb, Jr., Plaintiff's Attorney, whose address is P.O. Box 121, Bay St. Louis, MS 39209. YOUR ANSWER MUST BE MAILED OR DELIVERED NOT LATER THAN THIRTY DAYS AFTER THE 20TH DAY OF OCTOBER, 1965, WHICH IS THE DATE OF THE FIRST PUBLICATION OF THIS SUMMONS. IF YOUR ANSWER IS NOT SO MAILED OR DELIVERED, JUDGMENT BY DEFAULT WILL BE ENTERED AGAINST YOU FOR THE MONEY OR OTHER RELIEF DEMAND IN THE COMPLAINT.

You must also file the original of your answer with the clerk of this Court within a reasonable time after said date.

Issued under my hand and seal of said Court, this 16th day of October, 1965.

#### NOTICE OF SUBSTITUTED TRUSTEE'S SALE

**STATE OF MISSISSIPPI COUNTY OF HANCOCK**  
I, JOSEPH H. BENVENUTTI, Substituted Trustee in Deed of Trust from Harold Edward Brooks and wife, Jeanne I. Brooks to Nolan F. Moran, Beneficiary dated May 18, 1964, recorded in Book 264, pages 313-314, Records of Mortgages and Deeds of Trust on Land of Hancock County, Mississippi, being requested by holder of the debt secured to foreclose same, for default therein, will on October 24, 1965, during legal hours, offer for sale and sell at public outcry for cash to the highest and best bidder at the front door of the Courthouse in said County, the real property described as: Lots 30 and 31, Square 149, BAYSIDE PARK SUBDIVISION, Unit No. 2, Hancock County, Mississippi, as per plat of said subdivision of record in the office of the Chancery Clerk of Hancock County, Mississippi, being the property described in said Deed of Trust. The undersigned was substituted as Trustee by instrument dated May 21, 1965, recorded in Book 277, page 127, of said Deed of Trust Records. I will convey only such title as is vested in me as Substituted Trustee. ADVERTISED, POSTED AND SIGNED, this 3rd day of October, 1965.

#### STATE OF MISSISSIPPI COUNTY OF HANCOCK

**NOTICE OF SALE**  
WHEREAS, on September 13, 1964, LESTER J. CLINE and BETTY S. CLINE executed a Deed of Trust to BEN D. HENDRIX, Trustee, for the benefit of CREDITRIFT OF AMERICA, INC. which said Deed of Trust is now of record in the office of the Chancery Clerk of Hancock County, at Bay St. Louis, Mississippi, in Book 264, Pages 338-340 of the records of Deeds of Trust of said county;

WHEREAS, default was made and now exists in the payment of the indebtedness secured by said Deed of Trust; and  
WHEREAS, CREDITRIFT OF AMERICA, INC., as owner and holder of said Deed of Trust, and the indebtedness secured thereby, has exercised its option to appoint the undersigned as Substituted Trustee in the place and stead of BEN D. HENDRIX, which instrument of Substitution was executed on September 30, 1965, and is now in the office of the Chancery Clerk's office in Book 281 at Page 253.

NOW, THEREFORE, I, the undersigned GEORGE W. MURPHY, Substituted Trustee, do hereby give notice that on November 12, 1965 during the legal hours of sale, I will proceed to sell at public auction, at public outcry to the highest and best bidder for cash at the East main front door of the Hancock County Courthouse in Bay St. Louis, Mississippi, the following-described lands with all improvements thereon situated in Hancock County, Mississippi, and described as follows, to-wit:  
Lots 1, 2 & 3, Square 16 Unit One (1), Shoreline Park Subdivision, Hancock County, Mississippi as per map or plat thereof on file with the Chancery Clerk of Hancock County, Mississippi.

The undersigned Substituted Trustee will convey only such title as is vested in him as Substituted Trustee.  
WITNESS my signature this 16 day of October, 1965.  
GEORGE W. MURPHY  
Substituted Trustee

traffic during school l  
ing Monday.  
The street will be clo  
a.m. to 4 p.m. to protec  
who have to cross the s  
Louis Police Chief Ray  
"A student was almo  
day," he added.  
Murphy said signs  
notifying people of the  
closed and barricades  
ed.  
Details have not been  
are expected to be s  
week, he added.  
Murphy also said r  
speed particularly in  
should prepare to be
